**UNION ROAD TO BE CLOSED TO ALLOW BUILDING A RETAINING WALL**

The New Hampshire Department of Transportation announces that beginning Wednesday, June 25, 2003, Union Road in Belmont will be closed during daytime hours to allow for the construction of a retaining wall.

The daytime closure of Union Road, from 7:00 AM to 7:00 PM, is expected to last approximately three weeks and will require motorists to detour via Ladd Hill Road.

This work is part of the U.S. Route 3 reconstruction project in Belmont. Weaver Brothers Construction Co. Inc. of Bow, New Hampshire is the general contractor for the \$1.2 million project, which has a scheduled completion date of Spring 2004.
